

## British Tennis Venue Registration 2018-19

Venue Registration Number: **HAM470**

Dear **John**

Thank you for registering your tennis venue to British Tennis for 2018-19, and particularly for taking the extra effort and time to meet the new LTA Minimum Venue Registration Standards that we have introduced this year to help ensure tennis is safe and welcoming for players of all ages. You have now registered your venue to your County Tennis Association if you are located in England, or to Tennis Wales or Tennis Scotland if you are located in either of these nations.

British Tennis Venue Registration is a membership scheme designed to support all tennis venues in running their venue and helping to provide the best possible experience for members and participants. We provide a wide range of benefits and services designed to help tennis venues operating across Britain, and we are sure that there will be a number of benefits that can help your venue. Please take the time to read through the First Service Guide to familiarise yourself with all of the support and benefits that as a Registered Venue you are entitled to take advantage of. You can find the First Service Guide here: [www.lta.org.uk/venue-management/venue-registration/](http://www.lta.org.uk/venue-management/venue-registration/)

As a Registered Venue we want to help you to make the most of your Registration and to ensure that your venue is utilising all of the support that is on offer, and so if for any reason you are having difficulties in accessing any of this support and benefits then please do not hesitate in contacting the British Tennis Services Team at [info@LTA.org.uk](mailto:info@LTA.org.uk) or call 0208 487 7000 to help you find the answer that you are looking for.

Please note that as a British Tennis Registered Venue that meets the LTA's Minimum Registration Standards, your venue may well be subject to a safeguarding audit from the LTA's Regional Safeguarding Officers to not only review that your venue fully complies with these standards but also to support you in continuing to improve the safeguarding practices within your venue. So please do ensure that you continue to maintain your compliance with these requirements.

This is an exciting time for tennis in Britain as we work towards aligning the sport behind a new vision and strategy to open up tennis. We want tennis to be for anyone, we want to open doors and break down barriers so that tennis truly becomes a sport for all, growing tennis by making it relevant, accessible, welcoming and enjoyable.

Thank you for all of the hard-work, commitment and enthusiasm that you and other members of your venue continue to dedicate to help tennis in Britain flourish.

Scott Lloyd  
LTA Chief Executive
