COMMUNITY RESILIENCE PLANS - PARISH COUNCIL EMERGENCY PLAN

<http://www.chichester.gov.uk/emergencies>

In the past, some Parish Councils have produced an emergency plan to respond to and recover from an incident or an emergency alongside the emergency services. This information was supplied to the District Council and is now held within the Community Facilities Audit database.

All information held regarding the Parish Council's Emergency Plans are data protected and will not be shared. They are held for use in parish/district emergencies only but need to be kept up to date. Could you please therefore check and update the information that you have previously supplied.

Does the parish have an emergency plan? Yes
If yes, date of plan: September 2018
