## Recreation Ground Open From 4<sup>th</sup> July 2020

Scientific advice suggests that the COVID-19 virus can survive for up to several days on some hard surfaces. The risks are reduced when outdoors, where surfaces may be subject to UV light and/or rain. Whilst all possible practical measures have been put in place the user of this equipment does so at their own choice and risk.

- Please retain 1m distance from other users
- Sanitise your hands, before, during and after using the play equipment and the access gates.
- To enable as many people as possible to use the equipment please limit use to 30 minutes
- If the play area is busy, please wait or come back at another time.
- Use of hand sanitiser gel or wipes is advised when using the equipment
- When using equipment do not touch face
- Users are encouraged to bring their own towel and hygiene product to wipe down equipment – please dispose of considerately
- Wash your hands thoroughly when you get home.
- No food or drink, and please take your litter home with you.

Please be patient and kind.  
We all deserve to play safely.

We believe these to be practical solutions that will allow Play Areas to reopen.
